

Centennial High School AP Boot Camp - 2017

What is AP Boot Camp?

Boot Camp is an interactive leadership conference where students discuss and practice the qualities required for success in college and in the corporate world. This event will focus on developing five attributes: **teamwork, communication, organization, reading, and problem solving.** This program is for students that have taken AP classes as well as those who are just starting. Students will be divided into platoons and compete in tasks that will allow them to demonstrate these skills. After each task, students will reflect upon their performance and discuss how they can improve.

**Tuesday & Wednesday,
August 22 & 23,
9am-12 noon
@
Centennial High School**

*A light lunch will be provided
in the CHS Cafeteria from
12-12:30 each day.*

4 Goals of AP Boot Camp:

1. Introduce you to the unique academic challenges of Advanced Placement (AP) courses.
2. Guide you in skill development with focus on teamwork, communication, organization, reading, and problem solving.
3. Discuss the practical application of these skills inside and outside the classroom.
4. Provide opportunities for you to develop a support network with their peers.

What's in it for me?

- Develop teamwork, communication, organization, reading, and problem solving skills.
- Get to know your AP classmates.
- Success in AP courses AND on AP exams.
- Spend the day with AP teachers!

Why are we having AP Boot Camp?

The five skills we will develop are those that are most desired by Fortune 500 firms. Instead of lecture about the importance of these skills, we have decided to have a hands-on program that gets you actively engaged.
